

Description

Segway nature guided tours provided to small groups in the forest of Serra de Sintra, in Sintra-Cascais Natural Park.

The tours are between ten and fourteen kilometers, for two hours in a circular route, in groups up to 4 people. You are accompanied by a guide that will take you winding through hidden tracks.

Tours

1. Peninha

The eco-tour Peninha starts and ends at the top of the most western hill of continental Europe, in Serra de Sintra, where you can have the most amazing views of all of the surroundings.

2. Barragem do Rio da Mula

This eco-tour is in a valley, at the only water dam in Lisbon area, where the roads are easier and you can enjoy the segway in deep nature.

Prices

€50 per person

We will provide with:

- » Water for every participant.
- » Insurance for each participant.
- » Safety gear such as helmets, gloves and elbow protections.

- » We suggest every participant to wear closed and comfortable shoes and warm clothing, as you will be doing off-road in the middle of the forest where is always colder than the surroundings.
- » Participants must take care of their own transport to the meeting point.
- » In the end of the tour, if participant requires, we will care about a taxi to the hotel.

Meeting Point

Capuchos Conventry car park or Barragem do Rio da Mula
